411A Highland Ave.
Somerville, MA 02144-2516

Dear Mr. Lipton:

After requesting bids, and seeing the costs were cost prohibitive, we took another look at the problem and decided to handle it in-house. We had a concrete truck come in and dump 3 yards of concrete into the hole at a cost of \$100.00 a yard.

If any other information is needed, please let me know.

Sincerely,

Adagria Haddock
